

Hi Everyone,

I hope you are all well and Scouting and Guiding is going well for you.

Just a quick update following a recent meeting at the Jamboree site. Things are really moving ahead now and the Main Jamboree website is being updated regularly. Please can I suggest that everyone looks at it from time-to-time just to keep up to date. <http://www.norjam2010.org.uk/> Our own website is now having more information added so please check that from time to time.

As members of the Essential Services team we will be working along side the Fire Team, Security Team and Communications Team. I met up with the leaders of these teams and I am sure we will be able to offer a great service to the Jamboree participants. Our Team Director Nicola is very supportive of our team as she works in health care professionally.

I believe everyone has received details of the electronic registration, please can this be completed as soon as you can. If you have not received an electronic copy yet, please can I recommend you e-mail Jamboree admin. [admin@norjam2010.org.uk](mailto:admin@norjam2010.org.uk)

We are just sorting out when catering will be available, but it will not be in place at all on Friday 30<sup>th</sup> July. We will therefore need to work out a catering plan. Please can everyone please let me know which day they are arriving and if possible approximately what time. Please can you confirm by e-mail to [scout.first.aider@live.co.uk](mailto:scout.first.aider@live.co.uk)

For those of you coming up from the south coast can I ask if anyone can help with the following request from Valerie (Jamboree Admin). One of our visitors from overseas is looking for help with transport.

*Hi Valerie,*

*Thanks so much.*

*Please let me know if there is anything I need to do or provide.*

*I'm hoping to visit a friend in Worthing prior to camp. Is there anyone from that area that I could travel with to camp?*

*With the latest in luggage restrictions on airlines I would also like to not have to bring my tent with me. Is there someone that might be willing to share their tent with me?*

*Thanks again.*

*Laura*

If anyone can help with transport from the south coast, please can they let Val know using the standard admin e-mail address. [admin@norjam2010.org.uk](mailto:admin@norjam2010.org.uk)

We have identified the equipment required and we are currently arranging supply.

People looking to bring young children to the Jamboree please let me know as I have the details for catering.

Any questions, please e-mail. [scout.first.aider@live.co.uk](mailto:scout.first.aider@live.co.uk)

Regards

Ian Lewis
